

A DIVAN BED
JUST AS YOU
LIKE IT

OUR DIVAN BEDS ARE MADE USING ONLY PURE NATURAL MATERIALS

The bed frame is made from upholstered and untreated solid beech wood (AURA, JIL, STELLA, VIGO) or from upholstered spruce wood (LOUNGE, VEGA, VEGABOXSPRING NATURAL). For the upholstery we use pure new wool, partially 100% natural latex and latex coated coconut fibres. For the base cover we use the MAX COTTON fabric. The outer covers are all removable. Those you can choose from a large selection of different materials and colours (on this page we can only show a small selection of colours available). We suggest you see your local dormiente retailer for the full swatch. We are also very happy to make the outer covers from your own, favourite fabric. Your local dormiente retailer will be happy to work out the fabric requirement for you.

DIVAN BEDS
