## NATURAL DIVAN BED CLIA\_1

A divan bed made from pure natural materials for discerning tastes and healthy sleep. With headboard with rounded corners and elegant protective head covers in a striking contrast look. Additional storage space is provided by a drawer subtly integrated into the plinth-feet (here shown in Walnut oiled).

The classic divan bed frame consists of a solid wood frame upholstered with pure new wool. We then cover this in a base cover fabric of your choice. This cover is not removable. The level at which the slats can rest can be varied (9 | 13 | 16 | 19cm). This means you can use almost any type of slats and are free to determine your preferred mattress height. Choosing between a headboard fixed either flush with the frame or with the floor allows for further design freedom.

CLIA\_1 OPTION D

CLIA\_1 OPTION B

NATURAL  
DIVAN BED  
**CLIA\_2**  
IN BOXSPRING LOOK

CLIA\_2 – boxspring look and comfort in natural perfection. The EXTRA COVER with headboard in Chesterfield finish add a regal touch to the bed. Sleigh feet (here left in Walnut oiled) add a more delicate look to the CLIA\_2.

By using an extra cover we turn a natural divan bed into a boxspring look bed without the need for metal-springs! Place our sleep system SYSTEM 7® or SYSTEM 1 into the bed frame – flush with the top of the frame. The bed frame is covered in a base cover. The extra cover of your choice is now fastened onto this using Velcro. Just place your mattress – and if you like also a topper – on top. You're done!

**CLIA\_2** OPTION E

**NATURAL**  
DIVAN BED  
**CLIA\_3**  
WITH SOLID  
WOOD FRAME

CLIA\_3 – creates a striking contrast between the solid wood bed frame (here Heartwood Beech oiled) and the upholstered headboard (here angular, flush with frame). Due to the indented angular **SOLID WOOD FEET** (Beech oiled) CLIA\_3 looks as if it were floating.

# TECHNICAL INFORMATION

## NATURAL DIVAN BEDS

### HANDMADE

Our beds are available in a 200cm standard length and in special lengths of 190 | 210 | 220cm. They are available in widths of 90 | 100 | 120 | 140 | 160 | 180 | 200cm. **SPECIAL SIZES AVAILABLE ON REQUEST.** Because we work with natural materials small variances in the measurements stated are possible. **This is why all measurements listed are approximate. TECHNICAL CHANGES RESERVED.**

Our divan beds are made using only pure natural materials. The bed frame is made from upholstered and untreated solid beech wood (CLIA) or from upholstered spruce wood (LOUNGE, VEGA SPECIAL EDITION). For the upholstery we use pure new organic wool, 100% natural latex and latex-coated coir and a base cover of your choice. Optional upholstery covers can be attached by velcro fastenings and are removable. You can choose from a large selection of different fabrics and colours. We suggest you see your local dormiente retailer for the full swatch.
